WINTER HIKE FROM SCHWENDE TOWARDS OSTERBERG

MEDIUM WINTER HIKING

TOUR DESCRIPTION

This varied winter hiking trail is characterized by different landscapes; it leads through agricultural areas, sunny slopes, a snow-covered moorland, and spruce forests to snow-covered mountain meadows. The winter hike starts at Gasthof Bergblick and leads over sunny slopes with views of a charming moorland to the alpine guesthouse Hörnlepass. Here, the winter hiking trail runs partly parallel to the cross-country ski trail along the state border to the idyllic high valley basin in Außerwald. The prepared winter hiking trail ends on a sunny slope near an old barn with very rewarding views of the Allgäu and Kleinwalsertal peaks. The hike returns by the same route to the starting point.
