KLEINWALSERTAL TOURS

WÄLDELE TOBOGGAN RUN

EASY TOBOGGANING

TOUR DESCRIPTION

The prepared toboggan run in the Hirschegg district Wäldele runs for about 1 km with a beautiful view parallel to Wäldelestraße from Haus Sonnblick in Wäldele down to the Hammerer holiday farm. The toboggan run is a toboggan track located somewhat away from the town centers. Since the track is quite flat and only a few gentle curves need to be ridden on the toboggan run, it is particularly suitable for a trip for families with children.
