KLEINWALSERTAL TOURS

TOBOGGAN SLOPE SCHÜTZABÜHL IN MITTELBERG

EASY TOBOGGANING

TOUR DESCRIPTION

Directly behind the church in Mittelberg, a magic carpet leads up to Schützabühl, which can be used with skis as well as sleds. The prepared toboggan slope of about 110 m length guarantees sledding fun for children.

ROUTE DESCRIPTION

Toboggan slope in Mittelberg at Schützabühl. The conveyor belt is accessible from the Walmendingerhornbahn and the path to the church. After the short ascent with the conveyor belt, a prepared toboggan run about 110 meters long leads down.

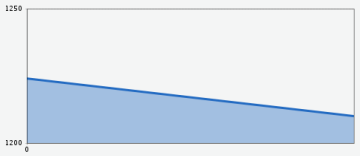

FURTHER INFO & LINKS

Tips
Due to its central location in Mittelberg, the toboggan slope is great for a short afternoon excursion.

Further links
Further information on the prices for sledding at the Schutzabühl conveyor belt can be found here.
